

Margo and Larry Drees

Julie Williamson

December 25 to December 31, 2009

We met Margo and Larry at the airport and they enjoyed the dinghy ride to Windward Passage in Trellis Bay

Our first stop was Leverick Bay in Gorda Sound

Margo and Larry join the Jumbies

The Jumbie show was a big hit with everyone getting involved

Margo and Larry had an early plane out so we came back to Leverick Bay so they could take the early ferry to the airport
